

Before we can use this LDSBus device, it must be configured.
Let's Get Started!

Step 1.

Connect the LDSBus USB Adapter to the PC with a USB-C to USB-A Cable. (Both to be purchased separately)

Step 2.

Connect one end of the cable provided to the LDSBus device if required.

Step 3.

Connect the other end of the cable to the LDSBus USB Adapter as shown in picture
